

Congratulations!

A wonderful wedding is all in the details. That is why choosing to book your wedding day with someone who has a passion for bridal hair such as myself, makes all the difference.

I am committed to helping you create cherished memories and make your dream day become a reality.

I realize that planning can be stressful, that's why we make it easy. Enclosed, you will find a list of our special occasion services. I recommend scheduling a trial run 3-4 weeks prior to the wedding. Please bring any embellishments such as a veil, hair accessories, or jewelry. Having your hair & makeup done, along with the accessories, will give you the ease of knowing that the vision you have for your beautiful day has come together perfectly.

All other forms can be filled out at your consultation. I will schedule your appointments and provide you with all information you will need for the big day! If you have any questions, please feel free to DM me @lezdoesmyhair. Any inquires for makeup, I use Julia Ford. Her Instagram is @classicjulia

Questions? Feel free to give me a call anytime. (865) 765-2840

Thank you for trusting me on this magical day, and Congratulations!
